

24 April 2017

Dear Parent/Carer of a student in Year 8

As your son/daughter moves from Year 8 to Year 9 we offer students the opportunity to personalise their curriculum a little by giving them a choice from a range of subjects which they may opt to study. They retain all the key elements of their Core Curriculum and will still have a full range of options to choose from in the Spring Term of Year 9 for study from September 2018. All students in Year 8 will study the new GCSE courses which began for most subjects in September 2016 and which were introduced in English and Maths in September 2015.

In order to give you information about options and the changes ahead there will be a short presentation in the school Theatre from 6.15 – 7pm on Wednesday 3rd May 2017. There will also be the opportunity to ask any questions which you may have.

I look forward to seeing you at this event.

Yours sincerely,

Mrs K E Moore  
Deputy Headteacher
