

# SCHOOL UNIFORM

We wish to make clear to all students and parents that the following list of uniform items is intended to be exactly that – uniform. It does not include fashion or designer items, which are not acceptable in our school.

<b>Boys' Trousers</b>	Black conventional school type.
<b>Girls' Trousers</b>	Black conventional school type from the catalogue attached.
<b>Girls' Skirts</b>	Black from the catalogue attached. Skirts must be no shorter than just above the knee.
<b>Shirts</b>	Sky blue. These should be of conventional style with either short or long sleeves. For girls it would be an <b>open neck sky blue blouse with reverse collar</b> with which no tie is necessary. (See picture in catalogue)
<b>Jumpers (OPTIONAL) in very cold weather only. SPECIALIST ITEMS</b>	Black V-neck with the school badge, available from School Togs in Worcester or Ace Essentials in Droitwich. <b>No other jumper or cardigan is allowed.</b>
<b>Blazers SPECIALIST/NON SPECIALIST ITEM</b>	Black school blazers. Blazers with badge embroidered on are available from Ace Essentials in Droitwich or School Togs in Worcester. The badge can be purchased separately from Ace Essentials in Droitwich or from school. A House badge will also need to be purchased and these will be available at the intake evening at a cost of £1.
<b>Clip on Ties SPECIALIST ITEM</b>	School tie, blue stripe available from School Togs in Worcester or Ace Essentials in Droitwich.
<b>Socks</b>	Dark grey or black for boys. Navy, black or white below the knee socks or un-patterned black or natural tights for girls.
<b>Shoes</b>	Black traditional/conventional "school" type. No trainers or boots are permitted. Specifically, no black canvas shoes/pumps should be bought as these do not conform to our requirements for daily wear. Steel toe-cap boots are also unacceptable.
<b>Outdoor Coats</b>	For safety, reflective armbands are recommended during dark winter months. Tracksuit or sweatshirt type tops or hoodies are not acceptable items of school wear and will be confiscated.
<b>Scarves</b>	Plain navy blue or black. Football or fashion scarves are not allowed.
<b>Hats</b>	These should not be worn in the school buildings.
<b>Jewellery</b>	Students are only allowed one discreet necklace or bracelet, one small signet ring and one plain stud or small sleeper in the lower part of each i.e. the ear lobe. No other piercings, ear stretchers or jewellery are allowed. Smart watches are not allowed.
<b>Hairstyles</b>	Hairstyles should be appropriate for studying in school, without extremes of style, cut or colour. We are mindful of changes in fashion but a "Number 1" haircut or shorter is not acceptable. Styles where lines or shapes are cut into the hair, or where parts of the head are shaved are not acceptable. Hair which has been dyed or streaked with unnatural colours (where there are two or more distinct colours that form an obvious contrast) is not permitted. Long hair in boys or girls needs to be tied or clipped back so that teachers can see student faces.
<b>Make Up</b>	Discreet make up is permitted. Nail varnish, false nails and nail extensions are not allowed.

Our specialist school items are available from Ace Essentials, High Street, Droitwich Spa, or School Togs in Worcester. Other items can be found in high street shops.

See overleaf .....
